San Antonio, Texas 78232

7:30 AM – 12:00 PM

### What is an Edcamp?

**Edcamp** is a form of unconference designed specifically for teachers and their needs. ... Built on principles of connected and participatory learning, **Edcamp** strives to bring teachers together to talk about the things that matter most to them: their interests, passions, and questions.

Have you ever attended a conference where the schedule is designed by the participants in attendance? At #Edcamps, those in attendance will drive the PD for the day.

We would love to have you spend a morning with caring and forward thinking professionals from around the San Antonio area. Bring an open mind, your laptop and the desire to collaborate with professionals from around the area.
